

SISTERS *of* CHARITY FOUNDATION
OF CANTON

Strategic Goals 2018

1. Continue to provide leadership and engagement to efforts to end homelessness in Stark County
2. Oversee, monitor and ensure the sustainability of early childhood initiatives and other education efforts
3. Advance best practices, attract funding, and influence public policy in favor of early education and care through active participation in selected state and national groups
4. Support efforts that are designed to encourage healthy lifestyles in Stark County
5. Support efforts that are designed to reduce the rates of infant mortality and health disparities in Stark County
6. Work collaboratively to assess community mental health issues and determine the Foundation's role in addressing them
7. Increase employment of the chronically unemployed and underemployed
8. Strengthen Stark County agencies and organizations whose missions address the root causes of poverty
9. Respond to community needs and opportunities
10. Continue to strengthen the Foundation's infrastructure to effectively support ongoing programs and long-term goals and objectives
